Carpet Maintenance Solutions

Premium Products • Exceptional Support • Superior Results

Triple S offers premium carpet cleaning products of the highest quality and best value to meet your carpet care needs. Triple S goes beyond just selling products. We strive to present a total carpet care solution by combining premium carpet care products, quality SSS vacuum and extraction equipment, training programs, and on-going technical support. The result is a professional program that delivers the lowest total cost solution.

DuPont™ Protection

We've partnered with one of the most respected names in the carpet industry to bring you innovative products. DuPont Zonyl® and Zelan® are key additives in our *Soil & Stain Blocking System*. They enhance the stain protection of the carpet while extending the time between deep cleanings.

C&A Flooring Approval

 You can count on our product quality. C&A Flooring, is one of the largest commercial carpet producers. They evaluate Carpet Cleaning Solutions and Equipment. The approved products are noted with the C&A logo throughout this brochure.

ODOR CONTROL

ENZ-ODOR II Concentrated Water Soluble Deodorant with Enzymes

Enz-Odor II is a powerful combination of odor counteractants, enzymes and fragrance for fast effective odor elimination.

- Odor-Encapsulating Counteractants Neutralize Malodors
- Unique Blend of Non-Pathogenic Enzyme Producing Bacteria Permanently Eliminates the Source of the Odor
- Available in Two Powerful, Long Lasting Fragrances - Cherry Almond and Pleasant Scent

Use Enz-Odor II directly on the odor source or as an additive to your cleaning solution. Use 1 to 4 ounces per gallon for general deodorizing.

Note: Do not use with SSS Triple or with other EPA registered disinfectants.

Suggested uses include:

Carpeting, upholstery, hard floor and wall surfaces, restrooms, kitchens, drains, grease traps, garbage containers, urinals, toilets - virtually any surface not damaged by water.
